**Message from the President**  
**Frank D. Williams**

Williams Challenge sincerely thanks all supporters who have helped us realize our mission to area youth. Your support has helped provide scholarships through the Akron Urban League. Our mission is to help offset college expenses and make a positive difference in the lives of youth through financial assistance promoting excellence in education, sports, community services, and spirituality. Williams Challenge scholarships are funded primarily through its golf fundraiser held each year in June. We invite you to participate in this annual event which is fun for every skill level of golf. Other funding sources include private and corporate donations, and hole sponsorship. All donations are tax deductible.
